

Plastic Packaging Tax

CJP Sales Ltd declare that all plastic packaging tax has been accounted for, prior to delivery to any of our customers.

CJP import less than the 10-tonne threshold and therefore are not required to register with HMRC. As part of our due diligence, we have contacted all suppliers and asked them to confirm that they will settle any plastic packaging tax liability, in accordance with HMRC legislation. CJP Sales are not responsible for the duty on the actual product as it is not considered to be “finished goods”.
